

CEILING MEDALLIONS

Medallion - 8710 installed

Ceiling Medallion: Traditionally a plaque, usually round, oval or square, on which there is a molded relief that incorporates leaves, fluting, beads or other sculptural elements as part of its design.

Applications: Medallions are most often used at the central attachment point of a chandelier. They can be applied to a wall frieze or other architectural member, or stand alone as an attractive wall decoration.
